

Pleasant Hill Elementary PTA Teacher Grant Guidelines 2022-2023

- Eligibility:** Educators teaching in 4K-5th grade, related arts, and special areas at Pleasant Hill Elementary. Applications may be submitted for an individual classroom grant or for a grade-level grant. Educators may submit one individual grant application and grade-level application per year. Grant applicants must be a PHES PTA member for consideration.
- Criteria:** Please refer to the *Teacher Grant Evaluation Rubric* for detailed scoring criteria. Applications should articulate how the grant will have a positive impact on students, support innovative and creative teaching strategies, and contribute to improved student achievement.
- Amount:** **The PTA has \$2,500 available in its budget for grants this school year. Each grant request will be capped at \$500.** Partial amounts may be awarded. While every attempt is made to fund all qualifying grant requests, there is no guarantee that a grant will be funded.
- Application Process:** Grant applications are accepted on a rolling basis until March 30, 2023. Only one application may be submitted per teacher per year, but an individual can also be part of a grade-level request in addition to their individual request. The grant application form must be completed and signed by the principal. Incomplete applications will be returned. Completed and signed grant applications should be submitted to the PTA Vice President who will present the application to the PTA Board at the next monthly PTA Board meeting following submission. Each voting PTA Board member will independently score a de-identified version of the grant application using the *Teacher Grant Evaluation Rubric* for funding determination.
- Award Process:** Applicants will be notified whether the application was approved or declined within three business days of the PTA Board meeting. If approved, applicants will be responsible for providing vendor details for grant-specified purchases. The PTA will order and pay for item(s) detailed in the grant using standard PTA purchasing procedures.
- Grant Reporting:** Grant recipients will need to complete the *Teacher Grant Report* and submit to the PTA Vice President by June 1st of the award year. This form is used to provide feedback to the PTA regarding the status of grant deployment, including effectiveness and student impact.
